 RE: EDI 325/413

Effective summer 2007, the Department of Education and Human Development will no longer offer EDI 325 -Diverse Needs of Learners. A new course EDI 413 -Introduction to Special Education- will be offered in Summer 2007 and every semester thereafter will replace it. EDI 413 will be available to students in the Health Science department and it will fulfill their requirement to complete a course which focuses on students with special needs. EDI 413 will be registered shortly.
